

From the Chat:

- One of our wireless projects in NC that we are excited about. <https://connecthumanity.fund/investing-in-wave-7/>
- <https://datadashboard.connecthumanity.fund/data> - the survey Chris mentioned. You can also take the survey questions and use them in your communities if you want. The questions and answers are available for the taking.
- <https://connecthumanity.fund/what-is-blended-finance-and-what-can-it-do-for-digital-equity/> - here is an article from Erica Mesker or Connect Humanity, who is on the call re: blended finance.
